you have on the bill, Mr. Clerk?

CLERK: Mr. President, if I might right before that I have a few items to read in.

SENATOR REMMERS: All right, before you do that then I'd like to introduce some visitors of Senator Hartnett. We have 30 seventh, eighth, and ninth graders from Logan Fontanelle School in Bellevue, accompanied by their teacher. They are in the north balcony. Will you rise so that we can recognize you. Thank you for visiting the Legislature. Okay, Mr. Clerk.

CLERK: Mr. President, your Committee on Enrollment and Review reports LB 804 correctly Engrossed, LB 1036, LB 1036A, LB 1047, and LB 1123 all correctly Engrossed. (See pages 1574-75 of the Legislative Journal.)

SENATOR REMMERS: The call is raised.

CLERK: Report of registered lobbyists for the week of March 14. Senator Pappas has amendments to 243. Your Enrolling Clerk has presented to the Governor bills read on Final Reading, this morning, Mr. President. New A bill, LB 311A, by Senator Harris. (Read by title for the first time. See pages 1575-76 of the Legislative Journal.)

SENATOR REMMERS: Senator Haberman.

It asks for the removal of money from the budget, \$750,000. I would like to remove that amount from the budget because I don't feel that this is the time to be buying a new airplane for the governor. Now we have lots of airplanes that are for sale, nobody are buying them. That will buy a lot of commercial flights, \$750,000. Whether it is a new used plane, or a new plane, until the economy gets better I would suggest to this body that we put off another year of purchasing a different plane. Now the maintenance of an airplane should not be in debate because
